

**The GSMOL PAC exists as an entity separate from GSMOL,  
and manages a PAC Fund independent of GSMOL.**

The PAC's purpose is to endorse candidates whom it judges, with input from the GSMOL legislative advisors, will best represent manufactured homeowners in defending our rights, home values and way of life.

## Help Your GSMOL PAC Work for You!

- o **Join your Legislative Action Team.**
- o **Meet & educate your candidates** for local (city council & county supervisor) and state (Assembly & Senate) office, help them understand the key realities of manufactured-home living and the impact of government decisions (local or state) on your welfare.
- o **Evaluate candidate(s) to recommend for PAC support** through your GSMOL chapter, HOA or area MH group.
- o **Work with the endorsed candidate's campaign**, by contacting the respective campaign directly.
- o **Vote for the candidate(s) in who will best protect your MHP interest**, even if they hold different views on social issues. We have to put our interests first—and vote for those who will protect our rights and our investments in our homes, even if it means crossing party or ideological lines.
- o **Contribute \$ to the PAC Fund**  
Send a check (for PAC) to GSMOL-PAC, 6101 Ball Road, Suite 202, Cypress, CA 90630, or, go online <http://www.gsmol.org/apply/donations.php> to the GSMOL website's Fund Donation Page (under Get Involved)

By helping elect the candidates who support us, GSMOL will be in a much better position to pass laws that protect manufactured homeowners & also oppose bills the park owners sponsor.

**The GSMOL PAC is a crucial part of our organization's legislative and political agenda,  
and it's success depends on the support of members like you.**
